**Locations:** Broadcast Site: Lewiston High School

Receive Sites: Waterville High School, Skowhegan High School, Madison High School

**Instructor:** Pat Red, Lecturer, Teacher Education Department, University of Southern Maine

**Credit:** Three (3) Graduate Credits

**Tuition:** \$843.00

**Course Overview**

Positive Behavioral Supports and Interventions provides instruction, in-class activities, and out-of-class application on the

process of conducting a Functional Behavior Assessment and creating and implementing a Positive Behavior Support Plan.

Features include best practices for conducting classroom management plans, utilizing different types of group contingency

plans, understanding and conducting indirect and descriptive levels of Functional Assessment, defining problem and

replacement behavior in operational terms, creating data collection forms, collecting and analyzing data using charts and

graphs during baseline and intervention, creating and implementing antecedent and consequence modifications and

troubleshooting when a plan isn't working.
