

Greenlaw/Herrick Newsletter

January/February
2008

Fundraising

We would like to thank everyone that helped out with the bottle drive in January. Our team earned a little over \$250. You can still bring your bottles to the C&M or the Beverage Mart, if you would like to donate toward our trip. Just be sure to tell them that you are donating them for the Greenlaw/Herrick team.

On February 27th & 28th, we will be having a read-a-thon at school. We will read for 300 minutes over the two days. Students are already getting pledges for the read-a-thon. They can accept pledges per minute or flat donations. All money needs to be turned in to school by March 6th.

Extra Math Help

We are still offering extra helping math. Any student on the team that needs a little extra help in math is welcome to attend. Mrs. Herrick is offering extra help in her room on Thursdays after school until 3:30. Mrs. Greenlaw is offering extra help in her room at 8:15 until the start of school on Wednesdays. All students should be practicing their multiplication facts.

Health Lessons

Fawn Haynie, the district's health coordinator, has started teaching a series of eight health lessons to the fifth grade students at our school. Mrs. Haynie comes to our class once a week. When she is here, she talks to the kids about goal setting and making good choices for a healthy lifestyle.

Contact Information: Mrs. Greenlaw 474-9822 ext. 3129 lgreenlaw@msad54.org
Mrs. Herrick 474-9822 ext. 3107 maherrick@msad54.org

Winter Sports

Over the next few weeks, we will be going outside for physical education class. Students will be learning how to snowshoe and cross country ski. It is important that all students wear the appropriate clothes during these classes. They will be outside for 40 minutes. They should wear boots, ski pants, mittens, a winter coat, and a hat. Outside classes begin on January 14th.
