

SAHS After School Program Bussing Policy

September 2011

The After School Program (ASP) provides a late bus on a limited bus run (see bus schedule). The busses leave from behind Skowhegan Area High School at 4:25, and from the Skowhegan Area Middle School at 4:30.

In order to access the ASP late bus, a student **must be a regular participant in the ASP** or have participated in a school-sponsored event such as clubs, sports teams, academic projects/extra help sessions etc. The ASP site coordinators will be in charge of enforcing this policy and approving individual student use.
