

Computers 4 All

OUR POLICY IS AS FOLLOWS:

REFURBISHED COMPUTERS

1. We continuously strive to complete work to industry standards; however, work is accepted without guarantee of workmanship or materials.
2. Computers are refurbished according to a time schedule that is compatible with the educational goals. Therefore, availability of computers will vary.
3. As requests come in, they are processed and filled as time allows.
4. Cost of computers will be determined by cost to refurbish individual computers plus a 10% donation to the IST program.
5. All final decisions will be made by the vocational instructor.

COMPUTER REPAIR

1. All computers to be worked on must be left until the work is completed.
2. Arrangement for work to be done must be made with the instructor prior to leaving the computer.
3. All computers are left at the IST Program at the owner's risk.
4. All work will be performed by IST Program students.
5. If your job has been evaluated or estimated by a local repair facility, we will not do the work.
6. Cost will be the cost of parts plus a 10% donation to the IST program.
7. A bench fee of \$5-10 will be charged if no parts are needed based on time required to clean viruses, spyware, resolve operating system problems, etc.

TO QUALIFY

- You must be a student in MSAD 54
- You must qualify for free or reduced lunch
- You must fill out the application form on the back of this brochure and return it to Sharon Lambert, Information Systems Program at Skowhegan Regional Vocational Center
