

# Early Childhood Programming at MSAD #54

## Childcare Programming (children ages 0-3)

Skowhegan Early Head Start is a childcare partnership between KVCAP and MSAD #54. We offer high quality center based care for children 6 weeks to age 3. We are designed to support parents who are working and/or going to school and prioritize low income families, teen parents and those receiving TANF/ASPIRE (FEDCAP) or a child care subsidy. For your child we offer small group sizes of 8 children, individualized play-based learning, nutritious meals and snacks and highly trained staff focused on supporting your child's development. For your family we offer year round, full day care, connections with other parents, support to meet personal and family goals and community resource and referral information.
