

2020

Your Child is invited to participate in the MSAD #54 2020 Virtual/Distance Learning Summer School program this year! Educational opportunities, materials, and resources will be provided to you and your child through both online and hands on modes of learning for continued learning at home over the summer.

Creative reading, writing, and math activities will be included in the materials to match with opportunities for interactive classes with their teacher. Links to additional educational activities will be provided. The materials and activities provided to you and your child can be completed without access to online activities.

Incentives will be provided to your child for attending sessions. They can attend as many sessions as there are available during the program. Attendance is highly encouraged!!!

**The program is available 3 hours a day, Tuesday - Thursday for 7 weeks over the course of the summer from June 30<sup>th</sup> through August 13<sup>th</sup>**
