

BUS PROCEDURES

- All students must wear masks at all times. The driver will also be wearing a mask.
- When entering and exiting buses students will use the hand sanitizer that is provided on the bus.
- Siblings will sit together.
- All students will have assigned seats and need to stay in these seats.
- When arriving at schools' students will be dismissed one row at a time starting at the front of the bus.
- All students will have one pick-up and drop-off location, with the exception being daycares.
- Bus notes will not be permitted at this time. Buses have all seats assigned to their regular riders, so no additional students will be able to ride the buses.
