SITE SELECTION

# PUBLIC INFORMATIONAL MEETING

## FOR AREA RESIDENTS

**Date:** Monday, May 10th

**Time:** 6:00 pm

**Location:** Margaret Chase Smith School Gymnasium

This is an in-person meeting but will include a zoom option to be posted to the district website prior to the meeting on May 10<sup>th</sup>.

In 2019 the state released an updated major capital [school construction priority list](https://bit.ly/3u1Rpje) ( <https://bit.ly/3u1Rpje> ). Of the 74 schools rated by the state, MSAD 54 had 5 schools identified: North Elementary (#2), Bloomfield Elementary (#23), Canaan Elementary (#24), Skowhegan Area High School/Somerset Career & Technical Center (#31), and the Margaret Chase Smith School (#45).

The MSAD 54 Building Committee has followed recommendation from Steven Blatt Architects and the state in pursuing a consolidated elementary school that will address the needs of the district for many years to come. This meeting will answer questions about the site selection process, including questions about the MCSS site. Future meetings in the fall and winter of 2021/22 will focus on academics and programming.
