1. MSAD 54 Mascot/Imagery Discussion

The Committee members reviewed the student voting data on the mascot names. The discussion focused on following the students' top three options. There was discussion regarding the name "Skowhegan", and if it should be considered as a mascot, but the group ultimately chose to move forward the students' top three choices to the Board.

RECOMMENDATION: That the Board consider the following three nickname/mascot and vote to adopt a new nickname/mascot and any related imagery, based on the results of student feedback: Phoenix, River Hawks and Skowhegan.
