PowerSchool is committed to providing the best customer support in the K-12 space. Our knowledgeable Unified Classroom Support team is dedicated to providing a superior level of customer-centric support that is key to an optimal Unified Classroom user experience.

How can I get help for PowerSchool Unified Classroom?

We've made it easy to get the support you need in Unified Classroom!

Teachers have information at their fingertips through our intuitive and easy-to-use Help Site. They can access our Help Site through the Unified Classroom platform by selecting *Help* in the left navigation menu from their profile screen.

Teachers who have additional questions can reach out to our support team at ucsupport@powerschool.com.

Teachers who need more immediate assistance can use our Live Assist chat feature, which is available through our Help Site. Live Assist allows users to chat and share their screen with a live representative to be guided to a solution in real-time.

Administrators can reach out to our support team at ucsupport@powerschool.com.

Administrators who need more immediate assistance can use our Live Assist chat feature, which is available through our Help Site. Live Assist allows users to chat and share their screen with a live representative to be guided to a solution in real-time.

For more immediate concerns, Administrators can call our support team at **866-434-6276**.

Administrators who are the Technical Contacts for their district also have access to PowerSource, PowerSchool's Technical Support website at https://support.
powerschool.com. From this website, Technical Contacts can download the PowerSchool product and updates, access product documentation, submit support requests, and more.
